Follow these simple steps to fundraise for our advanced pre-hospital service:

Once you've made your chosen items, it's time to sell them to raise funds. You could sell them outside your home and sell to friends and family.

Sell your crafts

You could set up a JustGiving page online so people can pay securely.

Promote your goods - use social media, inform the local press and use family and friends to spread the word.

Keep in touch - we want to hear about how you're getting on:

30 AIR

CELEBRATING 30 YEARS
OF SAVING LIVES

Midlands Air Ambulance Charity started 30 years ago in 1991 and since then, we have undertaken more than 63,000 missions via one of our three air ambulances, or two critical care cars, making our organisation one of the busiest pre-hospital air ambulance-led services in the UK.

Our mission is to provide our patients with outstanding pre-hospital care and lifesaving intervention at the incident scene, before conveying them to the most appropriate hospital for their individual needs, giving them the best possible chance of survival and recovery.

**We need your support to fund up to 13 missions every single day.
Please help make our next mission possible.**

Over the last 12-month, fundraising has been a challenge. Covid-19 forced us to temporarily close our charity shops, cancel fundraising events, and postpone face to face contact with our supporters. Being part of the Craft Club is one of a number of ways that you can help us raise vital funds.
